Arzoo.com ties up with Ammas.com for travel related queries

on Wednesday, April 9th, 2008

Arzoo.com, one of India's leading travel portals and Ammas.com, a leading knowledge exchange platform, have joined hands to provide answers to users for all their travel related queries.

Arzoo's unique technology enables sourcing of **best prices** for **Air Travel** and **Hotel Reservations**. Arzoo.com also presents multiple options for Airline reservations, Hotels and Custom Holiday Packages. Every customer gets to experience world-class service from travel specialists who have a combined travel industry experience of over 100 + years. They help customers choose the right destination that suits their specific needs, plan their detailed itinerary, make air and hotel reservations and even suggest what to do and see at each destination.

Ammas.com is a world leader in developing quality answer systems, with a string of patent filings going back to 2001. Ammas 3.0 technology currently powers numerous web-based and mobile answer systems in India, with nearly 300,000-registered advisors and over 100 affiliate sites. Ammas is the only answer system online which offers a real currency reward to users based on the quality of the information they provide, as determined by fair, real-time peer review.

"Arzoo.com is an established brand in the travel and hospitality sector while Ammas.com is unrivalled in providing quality information to all its users. Now-a-days consumers do a lot of research, enquire and then plan their holiday trips. Therefore, we thought Ammas.com is the appropriate platform where consumers will get solutions to all their queries related to domestic or international travel, says Mr. Sameer Patil, Head- Marketing of Arzoo.com.
