Sabeer Bhatia relaunches arzoo.Com

Mumbai, Oct 5 (PTI) Hotmail co-founder Sabeer Bhatia today relaunched travel website 'arzoo.Com' that could not survive the dot-com bubble half-a-decade ago.

The travel portal offers domestic and international flight tickets booking, hotel reservations.

Bhatia, who is the president and chief executive officer of 'arzoo.Com', did not give away the investment details. Bhatia said he has invested a "few million dollars" for the relaunch of the site.

'Arzoo.Com' was launched in 1999, but the company could not withstand the dot-com bubble burst that followed in 2001. "We lost lots of money in a short time and ...
